

2014 FREE RIDE WINNER ANNOUNCED!!!

On October 10, David and Lynnetta joined with Mike and Jody Tavenner of Tavenner's Towing to give away a 2000 Dodge Intrepid. This is the third year the foursome have come together to give back to the Moriarty community by giving away a car. This year, they also donated a \$1,000 scholarship to a Moriarty High School graduating senior in the name of the person who nominated the winner of the car.

The 2014 FREE RIDE winner is Tyler "Cruz" Howse. He was nominated by Diana and Leon Richter of Windmill Water in Edgewood. Cruz graduated from Moriarty High School last year, and is now attending UNM full-time. He's also supporting his father and mother by working two jobs. His father is disabled from a root canal that became infected and spread to his brain, and his mother is his dad's full-time caregiver. Without a car, Cruz was relying on friends to get everywhere he needed to go.

While in high school, Cruz was very active in the community. He ran cross country and track, played basketball, and participated in the Special Olympics by running on a relay team. He was also part of the National Honor Society and Student Council.

In spite of his circumstances, Cruz has not only endured, he has done well for himself and the people who depend on him. He's an outstanding young man who is defined by hard times and hard work. We here at 2nd-to-None Service are proud to be able to award him with a much-needed car to help make his life a little easier.
