

# 2015 FREE RIDE WINNER ANNOUNCED!!!

We now have David and Lynnetta Saline owner of 2<sup>nd</sup>-to-None-Service and Mike and Jody Tavenner owners of Tavenners Towing. These businesses have come together and created the “Free Ride Car Giveaway Program”. For the 4<sup>th</sup> year in a row they are giving a car to a very deserving person in the community who helps others and has come upon hard times and could use a helping hand but would never ask for one. This year’s winner is an amazing woman. Each morning she wakes with a positive outlook, applies her lipstick, and goes to work. She works for Edgewood Middle School running the kitchen feeding all the students. She always encourages the students to become the best and would do anything to help them because she

knows they are our future. She states that “Doing for others” makes her feel whole. She always sees the good in everyone, especially in the children of our community. After work she heads to Mountain View Elementary where she helps with the after school programs. When done there she doesn’t go home and put her feet up she heads off to run errands and care for her aging mother. After that is all done then she heads home to take care of her daughter. On her spare time she finds ways to help others in the community. In the past few years she has come upon hard time due to some unfortunate circumstances. Monica Martinez or Ms. Monica as the kids call her, we are proud to award you with this 2001 Dodge Grand Caravan. Congratulations and keep up the good work!

2<sup>nd</sup>-to-None and Tavenners Towing would also like to thank the following business ALL American Collison, Double H Napa, Independent Newspaper, Moriarty Pipe and Iron, Sign Source, Shorty’s BBQ and Debbie Ortiz for their help and support.
